	<p>joint on roof the intention is to have minimum joints. Inner rooms complete by next meeting CNIM will be building boilers on site. It was explained that by the next meeting room on site will be at a premium</p> <p>Clugston had received a visit from an external auditor had scored really well as a considerate contractor</p> <p>Donald Macphail reported on that progress on CHP with Featherstone prison is very slow. The new Jaguar plant had been looked at but it was thought not to be feasible due to the distance</p> <p>Chris Swanick will try to get 3D model to show at the next meeting and a representative from CNIM will be invited to the meeting</p>	CS
<p>Community Update</p>	<p>The next Community update leaflet will be in the post this week. The first school was visited last week and the children were showed Clugston’s video SPLAAT which is about site safety and the fact that construction sites are not playgrounds. Visit went down well.</p> <p>The group were asked to judge the posters the children had produced and 11 winners were picked.</p> <p>A visit to school will now be arranged to present the cheque and the second school, St Mary’s and St Chad’s First School in Brewood will be visited after Easter</p> <p>A meeting has taken place with the Forest of Mercia and a project is being developed where a tree will be planted for each person that has worked on the Staffordshire Project. In total this could amount to 300 trees. It would be nice if these trees could be planted in Calf Heath – so if the group has any ideas these would be welcomed. This could be a project the community could be involved with. The group to come up with suggestions</p> <p>It was reported that there had been no complaints about the site since the last meeting</p>	<p>HH</p> <p>ALL</p>
