

Terms and Conditions

- Projects must be located within Staffordshire (excluding Stoke on Trent).
- Projects can apply for funding up to a maximum of £1,000.
- Funding is only available for properly constituted, not-for-profit local organisations, including charities, societies, voluntary and community groups and schools. The funding is not open to Local Government Authorities.
- All funds must be spent within 12 months from the grant offer.
- Only one application can be submitted per group or society per funding round.
- Any conflicts of interest must be identified on the application form.
- Funding will only be awarded for new projects and not retrospectively.
- Research projects, ongoing operational costs, maintenance costs, recycling bin costs, and funding for commercial initiatives or enterprises are not eligible.
- If your project is successful and you make material changes to the project this must be approved by Staffordshire County Council and Veolia. Any part of the grant that is not required for the purpose approved will be refunded to Veolia.
- Acknowledgement of Staffordshire County Council and Veolia and the funding award must be made on all promotional material associated with the project. We will provide logos electronically for this purpose.
- A member of staff from Staffordshire County Council and Veolia must be allowed to visit the project or to see project activities as reasonably requested.
- By accepting a grant, you agree to submitting a summary of the project on completion with photographs. Staffordshire County Council and Veolia reserve the right to produce a case study of the project for publication.

Confidentiality and data protection

- We reserve the right to make public the name of your organisation and the broad nature of our offer, but we won't disclose personal detail.
- We will use the information you give us during the application process and during the lifetime of any funding for administration, analysis and research purposes.

Staffordshire EnviroGrant Scheme

Funding projects up to **£1,000**

Supporting Staffordshire's communities to reduce waste, reuse and recycle.

working in partnership

The Staffordshire EnviroGrant Scheme has been set up as a partnership between Staffordshire County Council and Veolia to help our residents to reduce, reuse and recycle.

Q. Who can apply

The funding is open to properly constituted, not-for-profit local organisations, including charities, societies, voluntary and community groups and schools.

Q. What type of projects can be applied for?

Funding is available for projects which

- Reduce waste disposal
- Increase recycling
- Increase re-use

Examples of the sorts of projects which would be eligible for funding:

- Community food gardens
- Composting
- Surplus food use e.g. community larders and fridges
- Repair cafes
- Clothes swaps
- Library of Things
- Waste Education and Workshops

Q. How much can be applied for?

Funding of up to £1,000 can be applied for. This can be towards a small project or to deliver an element of a larger project.

Q. Does the funding have to be matched?

No, you can apply for up to 100% of project costs.

It is recommended that only small projects are applied for. Where a wider initiative is being delivered, we recommend a small element with specific outcomes is applied for.

Only one application is permitted by each group or society.

Q. What is not eligible?

You should not apply for:

- Ongoing operational costs
- Maintenance costs
- Research
- Commercial initiatives

Q. How do I apply?

The Staffordshire EnviroGrant application form must be fully completed. The form can either be completed online or printed off.

Q. Will there be any publicity of successful projects?

Successful projects may be used by Staffordshire County Council or Veolia to produce case studies for promotional purposes.

Q. How do you assess the applications?

All applications will be assessed against a standard set of criteria. Applications which clearly demonstrate how the project contributes to reducing waste will score more favourably.
